MEMORANDUM FOR: Acting Director
CIA Operations Center

FROM: Harry E. Fitzwater
Director of Training

SUBJECT: Yale University Band

Mr. Blake has forwarded to me your note of 10 April. We appreciate the suggestion of an outdoor Yale University band concert and know how much our employees would enjoy it. However, we are afraid the requirement of the CIA Guest Speaker Program--relevance to intelligence--would not apply here. The Office of Training budget, in any event, could not afford it.

Sorry that I cannot be more positive.
